

The graphic features a central illustration of human lungs in shades of blue and purple, with a network of white lines and nodes overlaid. Various medical and technological icons are integrated into the network, including a person in a blue uniform, a heart with a pulse line, a gear with a cross, a person with a stethoscope, a factory, and a person with a plus sign. A purple speech bubble in the top right corner contains the text 'RESPI CARD 2024'.
